NEW YORK---WASHINGTON---PARIS

Continuation of August Sale of Furs.

Not one person in a hundred knows Furs, and there is no other article of merchandise sold in which one can be so easily deceived. The natural consequence is, people have to take for granted what their dealers tell them. They buy upon faith and not upon knowledge; therefore, in purchasing Furs, know your dealer—know that you can depend upon him—place perfect confidence in what he says.

Truthfulness has been one of the great factors in the rapid growth of this immense business of ours; and in advertising merchandise we tell only what are facts. When we say that the Furs in this sale are of the highest grades and strictly perfect; that every piece was made up this season to our special order in the very latest style, and that two months hence you will have to pay from a fourth to a third more for these same Furs, we are telling what is absolutely true, and our broad guarantee—"Perfect Satisfaction or Money Refunded"—stands back of it.

Furs purchased during this August sale will be stored until cold weather free of charge, thus relieving you of all worry and trouble; besides, on the receipt of a small deposit we will reserve any piece in stock until wanted. Balance can be paid at any time before delivery.

An House Lined with Ivory

Ivory is a place of enduring beauty, of domestic health, comfort and economy—warm in winter, cool in summer, snug and dry at all seasons. "Ivory" is not expensive.

Ordinary plastering materials—lime, etc.—are extravagant. They make a porous, absorbent, damp, drafty, unsightly, unsanitary, weak and crumbling wall.

Ivory Wall Plaster

made from Rock Gypsum, makes a hard, tough, smooth, dense, dry, sanitary wall that defies time, weather, fire and water.

Saves weeks of time in building, saves doctor bills, saves fuel, protects the decorations, saves repairs. Ask your Architect. In plastering your Home, insist upon Ivory Wall Plaster. Sold only by

CHARTER.

A charter was issued Saturday by the State Corporation Commission to the Grand United Effort of America. Principal office, Alexandria, Incorporated: Edmund Hill, jr., president; S. S. Johnson, vice-president; T. M. Watson, secretary—all colored and of Alexandria. The charter declares that the purposes of the "effort" are to create a "fraternal beneficiary association," and the capital stock is nil. There is nothing to indicate that the concern will extend to all parts of America, but the name is a high sounding one. There being no capital stock and no money in sight, there is no treasurer.
